Are you talking about the version on the web? If so, I need to reread.

Hi Doug - FYI Javier asked me to prepare an email to include with the transmittal of the factsheets to Pete. Before I do that, I was wondering what your thoughts are on sending the LCR quick reference guide, instead of the general LCR factsheet, along with the NOI factsheet. I was looking both LCR documents over again and think the quick reference guide is more clear than the factsheet, and it's only 2 pages. What do you think?

Hi Javier –

Per your request, please see the updated factsheets attached. We trimmed the NOI factsheet down to one page, and the general LCR factsheet to 1.5 pages. Please let me know if you have any questions.

Thank you!

Hi, we need to make these shorter. I don't think the RA will have time to go over all the details we are offering here. I will keep a copy and read it for my information, both documents are excellent.

Thank you,

Javier

Hi Christine – I am good with these. Thanks!

Javier, will you be sending this up to Pete?

Hi Javier, Hi Jeff –

Attached are the final versions of factsheets on the NRDC/NEW NOI to sue NJDEP on LCR implementation in Newark, and on the LCR in general. These were reviewed by DECA and ORC, and I incorporated their comments.

Please send these factsheets to the RA for his information, CCing Nicole Kraft, Doug McKenna, Phyllis Feinmark, Paul Simon and Pat Evangelista (and anyone else you think would be appropriate that I forgot).

Let me know if you have any questions or need any additional information.

Thank you!
